

# Longmead Community Farm

*Strengthening and Supporting Families*

## DIY and Maintenance Volunteer Vacancies

Things always need repairing at Longmead and when we are not repairing, we are creating new projects- such as the new goat hut we have recently built!

We are looking volunteers who can bring practical skills or are willing to learn practical skills to be able to repair and build what we need at Longmead.

The work you do enables the families visiting Longmead to have a restorative, pleasant stay at Longmead.

**Any one over the age of 18 who is able to contribute to the running of Longmead is welcome to join us on a Monday 10am-4pm at Longmead Community Farm, Milborne St Andrew, DT11 0HU**

Training will be given to all new volunteers, including how to use any needed equipment.

As part of volunteering with us you will receive rewarding experiences, a hot cooked meal (term time) and travel expenses, as well as the opportunity to learn new skills, build your confidence be part of a friendly community and have some fun!
